

# **Fire Ground Strategies & Tactics for First Arriving Companies (FSTFAC)**

With Don Woodfield

At Stockton Fire Department, 7243 Route 380, Stockton, NY 14784

Designed for the first arriving officer at any incident. The primary focus of this course is structural firefighting but the lessons learned are applicable for any emergency scene. Elements of this course include scene size-up, decision making, determining incident strategies, and making tactical assignments. Also included are lessons on building construction, fire behavior and growth as well lessons for operating at common non-fire incidents such as motor vehicle accidents, propane and natural gas emergencies, and other typical non-fire emergencies. In addition to lecture and classroom activities this course utilizes scenarios to allow participants to employ their newly learned skills in real time.

**Prerequisite: Firefighter 1, or Basic Firefighter, or Firefighting Essentials**

**Designed for: Fire officers and prospective fire officers**

**Course length: 15 hours (5 units)**

**Min 10/Max 24**
