

Firefighter Refresher Training

With Andrew Finson

The Refresher Training course is a unique approach to fire training in New York State. It is designed to address the needs of veteran firefighters who have been trained for some time and are in need of skill refresher opportunities. This is a “live fire” refresher training.

Students must bring full PPE, SCBA & extra air bottle.

Designed for: Fire service personnel

Prerequisite: Firefighter I or equivalent

Course # 01-05-0042 6 hours

Min 10/Max20

Sunday, May 6, 2018

8:00 am & 12:00 noon (double class)

Taylor Training Center, 240 Harrison St., Jamestown
