Friday June 8, 2018 7pm

Saturday June 9, 2018 9am & 1pm

Based on Chief John Salka's "Get Out Alive" program, this program is designed for self-rescue and rescue of trapped firefighters. Course content will enable firefighters to recognize the types of events encountered on the fire ground that contribute to firefighter disorientation and/or entrapment, to have knowledge of what is necessary to ensure their safety and that of their partners or crew members, and perform self-rescue techniques when disoriented, separated, or when needing to exit a structure in an emergency. This course requires students to perform a number of practical evolutions with self-contained breathing apparatus (SCBA). This course includes the National Fire Academy Calling the Mayday.

Designed for: Fire service personnel

Course Length: 12 hours

Course number: 01-05-0076

Min 8/Max 15

Prerequisites: Firefighter I, SCBA medical clearance, and signed Training Authorization Form**

(The nationally recognized Firefighter Level I certification may be substituted for the course prerequisites.)
