Tuesday, March 27, 2018 7:00pm

Thursday, March 29, 2018 7:00pm

(Must attend all classes)

Location: Taylor Training Center, 240 Harrison Street, Jamestown, NY

- ✓ Students MUST Read Chapters 23 & 24 prior to the first class from the new IFSTA Essentials of Firefighting and Fire Department Operations, 6th Edition.
- ✓ PPE is REQUIRED For the last session.

****Designed for all emergency response personnel****

Class time: Total 16 hours

We will take 10 students

Course Description:

Prepares emergency responders to effectively and safely respond to and stabilize hazardous materials incidents from a defensive position. Meets the training requirements of OSHA 1910.120 for the first responder, both at the awareness and operations levels. Includes recognizing and identifying hazardous materials, classifications and the hazards of each class, transport vehicles and associated hazards, planning for incidents, personal protective equipment and its limitations, confinement methods and decontamination procedures. Case studies identify appropriate operational procedures.

Registration is to be made through the Office of Emergency Services website at www.chautcofire.org at the tab titled training.

****Students are required to bring a signed Chief's Authorization Letter****
