

I-200.A: ICS for Single Resources and Initial Action Incidents With Chief Thomas Wutz (Retired OFPC)

(This is a Train-the-Trainer Course)

Course Location: Office of Emergency Services
2 Academy Street, Mayville

Class Date: Thursday, March 17, 2016 8:00am-All day

The complexity of incident management, coupled with the growing need for multi-agency and multifunctional involvement on incidents, has increased the need for a single standard incident management system that can be used by all emergency response disciplines. The Basic ICS course is part of the National Training Curriculum. Under Executive Order #26, March 5, 1996, NYS Governor George E. Pataki established the National Interagency Incident Management-Incident Command System as the standard command and control system during emergency operations.

Designed for: Emergency response personnel

Course Length: 12 hours

Prerequisites: IS-700 NIMS and ICS-100 (Proof Required)

Course number: 01-11-0034

Class size: Min 10/Max 30

**Registration is to be made through the Office of Emergency Services website
