

UNIFORM CODE FIRE NOTIFICATION

OWNER/OCCUPANT _____

DATE _____

LOCATION _____

FIRE INCIDENT NO. _____

Street/Route

CITY, TOWN, VILLAGE _____

TELEPHONE () _____

County

To reduce the possibility of another fire causing further damage or injury, the fire department is required to complete the following notification:

Section 1197.1c New York State Uniform Fire Prevention and Building Code. The First Chief shall notify the Code Enforcement Official of any fire or explosion involving any structural damage, fuel burning appliance, chimney or gasvent.

Section 1163.9e New York State Uniform Fire Prevention and Building Code further states: If a fire should occur in any chimney, smokestack, flue, gasvent, smokepipe or connector, then the item shall be inspected for damage by the Code Enforcement Official before any further use.

If Section 1163.9e applies, did this fire involve the primary source of heat? YES NO

This form is to verify that the above named individual has been notified of their obligation.
